

Team Leader Window

Projects

Project 1
Project 2
Project 3
...

by selecting
one project

it will automatically open
this table:

details:
Materials:
Due date:
Workers:
...

Edit

this button
makes
changes
in the
existing
project

Form

Name:
Details:
Materials:
...

Send Request

Add new project

Project	Materials	Date	Amount
Project 1			

When the team leader clicks
this button, a new table
is shown where he
can put the details about
the project.
Then, it sends a request to
admin to see if the project
gets approved or not

(-> whatever is written in this table
it goes straight to the
Economist window
